

It is with great excitement and pride that I welcome you to the Kwa Sani municipal area, we are very excited to be part of the 2014 Duzi2Sani Harry Gwala 4X4 Expedition. On behalf of the community of Kwa Sani I would like to extend a warm welcome to local, national and international visitors who will be coming to our shores.

Tourism is the bread and butter of Kwa Sani municipality and the province of Kwa Zulu Natal where we traditionally welcome a steady stream of travellers from across the country and international tourists.

While we will continue to enjoy a strong reputation among holidaymakers, I am confident our strength in tourism business will also grow. We are constantly looking for ways to ensure the destination becomes competitive year round and continue to represent a peaceful, majestic sight of the country.

To truly deliver on the promise of tourism, we have to create the conditions that render the tourism experience and the treasures of our country accessible and affordable to a much greater share of our population. By so doing we are creating a platform for tourism transformation in our province which in turn will be a benchmark for the whole country.

The time has come to remove the final barriers to fully unlock our country's tourism treasures and the essential value of travel for all South Africans, thereby boosting our contribution to job creation and poverty alleviation.

As Kwa Sani we say enjoy your stay and come back again next year.

His Worship Mayor of Kwa Sani Municipality

Honourable Cllr. M.B Banda
